Dear Customer,

KOR-PAL has held a strong position in the pallet manufacture industry since 1991.

We specialize in the manufacture and trade of wood products.

Our main product line are wooden containers (**pallets, worktops, and wooden components**).

We also provide special-purpose pallets, based on client specifications.

Our product range includes **2000 types of wood pallets** at different shapes and sizes to suit all clients' needs.

Our pallets reach the local and foreign markets. We have long-standing trade contacts with German partners.

Our clients value the reliability and speed of our service.

Because we provide our own local and international delivery service, you can rest assured that your product will always get to you on time.

All orders are guaranteed to be processed at top speed.

We hope that our offer will mark the beginning of continued collaboration between our companies, providing you with the highest value possible for your capital.

We are looking forward to doing business with you. You can contact us at:
